Celebrating Innovation, Technology, and Creativity (2018-2023)

Welcome to the annual Ideathon/Hackathon/TechFest at Sree Narayana Gurukulam College of Engineering (SNGCE), a grand celebration of innovation, technology, and creativity that has been inspiring and transforming young minds FugenIz and Tech days. This dynamic event is a convergence of talent, ideas, and skills, providing a platform for students to showcase their brilliance across a diverse array of exciting programs and competitions.

Event Highlights

- **Blind Coding Competition**: Test your coding skills in an exhilarating challenge where the screen is hidden. This competition pushes participants to rely on their logic and syntax expertise.
- **Idea Pitching Competition**: Unleash your entrepreneurial spirit and present ground-breaking ideas to a panel of experts. This competition fosters innovation and encourages the development of viable business concepts.
- **Motor Expo**: Display the strength of Designs and aesthetic excellence in this competition that celebrates designs fitness and discipline.
- **Hackathon**: Collaborate, innovate, and create! The Hackathon invites tech enthusiasts to develop cutting-edge solutions to real-world problems within a limited timeframe.
- **Bridge Making**: Apply your engineering knowledge and creativity to construct a functional bridge model. This competition emphasises structural integrity, design, and efficiency.
- **E-FOOTBALL PES Tournament**: Dive into the thrilling world of virtual football. Compete against peers in Pro Evolution Soccer (PES) and demonstrate your strategic prowess and gaming skills.
- **Microsoft Azure Workshop**: Gain hands-on experience with Microsoft Azure, one of the leading cloud computing platforms. This workshop is designed to enhance your technical skills and knowledge in cloud technology.
- **Treasure Hunt**: Embark on an adventurous journey to uncover hidden treasures. This event combines problem-solving skills with teamwork, making it an exciting and engaging challenge.
- **Music Mojo**: Showcase your musical talents and entertain the audience with melodious performances. Whether you're a solo artist or part of a band, Music Mojo is your stage to shine.

SNGCE's Ideathon/ Hackathon/ TechFest is more than just an event—it's a journey of discovery, learning, and growth. Each year, we bring together the brightest minds to collaborate, compete, and create, fostering a spirit of innovation and excellence.

Whether you're here to compete, learn, or simply be inspired, we welcome you to this extraordinary gathering. Let's innovate, collaborate, and celebrate the power of technology and creativity together!
