CLOTHES SUPPLY TO THE NEEDY

"SERVICE TO MANKIND IS SERVICE TO GOD". This Noble thought of Swami Vivekananda inspires everybody to contribute towards the wellbeing of the world. With this National Service Scheme (NSS) unit of Sree Narayana Gurukulam College of Engineering organized "Cloth Supply TO The Needy Campaign" at Kadayirippu, Kolenchery on 18/07/2021.

Cloth is one of the three basic needs of human beings. But there are people in this society who don't have this essential need of existence. 20 NSS volunteers togetherly launched a campaign to collect clothes which were old, but in good condition from the students of college. The clothes collected during the campaign were distributed to the needy people and it became reason for someone's fathomless happiness that could put them to fair use. The NSS unit works to ensure health and improve the quality of life of poor and downtrodden. This activity was carried under the supervision of NSS program officer Prof. Beena. T. Balan and our volunteer secretaries Ajmal Albert and Sradha. A. Baiju.

SANITIZER SUPPLY

SNGCE NSS volunteers distributed sanitizers during the pandemic time as a part of NSS activity. The program was conducted on 13th September 2021. The volunteers distributed sanitizers to each house of the Aikaranad Grama Panchayath. The sanitizers were made in the college itself. The Panchayath consists of 14 wards and the team of 18 volunteers were split equally for distribution. Program officers, Mrs. Beena T Balan and Mr. Salman Shah accompanied for the program. The volunteers visited the house following the protocols. Each house was given with 1litre bottle of sanitizer. It was a full day program.

WELL CLEANING PROGRAMME

On 15th October 2021, we, the volunteers of NSS SNGCE, conducted a well cleaning as part of the NSS activities. The goal of the program was to clean the well behind the Valamboor kurish bemus stop and make the water usable. The mosses in the well were removed and chlorinated the water. All the other things, including plastic bags, bottles, and dry leaves, were removed. 17 volunteers attended the cleaning program along with NSS program officers Beena T Balan and Salman Shah. The outcome was effective, and a clean well was the result of the cleaning.

ROAD TRANSPORT AWARENESS

SNGCE NSS volunteers conducted an awareness on road transportation as a part of NSS activities on 24 October 2021. The session was held at pattimattom. Program officer Mrs. Beena T Balan an assistant program officer Mr. Salman Shah oversaw the program; the program began at 10am. The volunteers have given an awareness to the public about the importance of usage of helmet while driving two wheelers. Similarly, usage of seatbelt was also given a demo and the importance of the same was conveyed. There were about 20 volunteers who coordinated and participated in the program. The program ended by 4.30pm.

LEGAL AWARENESS-DIGILOCKER

The NSS unit of Sree Narayana Gurukulam College of Engineering conducted a Legal Awareness event on 12/11/2021 which began at 10:00 AM with the presence of our Program Officer Beena T Balan and Assistant Program Officer Salman Shah. In times where everything is accessed by our finger tips with the help of our mobile phones it's important for people to know how to access important documents when in urgent requirement and when the hard copy isn't present. To provide with detailed information and awareness of Digi Locker, an app institutionalized by Indian Government, this event was conducted. Several student members present gave a hands-on tutorial on how to install and use the application as and when required. The targeted audience such as the Locals and the People above the age of 50 or so present found this class to be extremely important and had a really good response regarding the event thus pronouncing the event to be of great advantage. 18 volunteers participated in this event and was efficient and informative.

CLEANING OF ENGINEERING COLLEGE ROAD

As a part of NSS activities of SNGCE, the NSS volunteers conducted The Engineering College Road cleaning program On 18/11/2021. It was conducted to remove the plastic waste and unwanted weeds grown near the road. The collected waste was separated and stored safely and disposed in a healthy manner. The program started at 9:00 am. About 21 volunteers attended the program. The program was really a big success, it had the active involvement of program officer Beena T Balan and assistant program officer Salman Shah. The locals were also of a big help and support. It turned out to be a best cleaning program that resulted in a clean road for both the public and the College.

ENERGY AWARENESS PROGRAM

Energy awareness program conducted successfully by NSS volunteers of SNGCE. The program was conducted at Aikaranad grama panchayath on 20/11/2021. The purpose of the program was to create an awareness about energy saving among the people in the locality. The event started at 10:00 am with 16 volunteers with the guidance of NSS program officer Beena T Balan and Salman Shah. A demo section was also done by the volunteers regarding energy saving in household appliances. The public was informed of the advantages of using Led Lights and other power saving devices and also the rising trend of the power supply rates. Students visited each house and tried to share the awareness in the easiest way of understanding and thus It was a big success.

THANAL VRIKSHAM

The NSS unit of Sree Narayana Gurukulam College of Engineering conducted the event Thanal Vriksham on 12th of March, 2022. The event began at 9:30 AM with encouraging words from Program Officer Beena T. Balan and Assistant Program Officer Salman Shah.

This event was conducted aiming to create awareness and also inculcate the values of planting trees, in everyone who participated. Twenty saplings were planted in the college campus and places nearby such as the bus stand and some other public places. The saplings used were mainly the kind that would bring shade once grown into a tree. It was to provide shade at places that has space and where it's needed. The event ended around 11:00 PM and was a great success. Almost 26 volunteers took part in the event and 50+ saplings were planted around.
